MALLAKHAMB

Mallakhamb is our ancient art to which our Bethelites are given exposure and training. It provokes physical and mental development. V. Yamuna of our school participated in the 27th Mini , and 26th Mini and Sub Junior Girls National Mallakhamb Championships, under the Auspicious of Mallakhamb Federation, India.

Scouts & Guides

Scouts and Guides develop discipline in public which ensures peace and harmony which in turn offers impetuous to the forces of progress and prosperity of the nation. In addition to the subject knowledge,

students need to be cognizant of environmental education. Hence, we consummate the scouts and Guides classes every Wednesday.

Junior Red Cross & RSP:

The best way to make every hour of every day productive and to have an hour –by hour schedule. Great task can be more readily accost if it has a purpose, fortitude to persist ,a person to exhort a target to procure. Our diligent Junior Red Cross Students possess leadership qualities and serve as volunteers for various celebration of our school.

Our RSP classes accomplish great volumes of consequential tasks of hard and fast rules our RSP unit spreads awareness among the peer group and educate them on Road Rules.

RSP conducted Salai Padhukapu slogan writing contest in which M. Kiran Kumar of XII B won the contest and received the cash award of Rs. 5000/-

Nursery Graduation

Every living thing in this world has sort of aspiration, which acts as a driving force to attain in acts as a driving force to obtain this aspiration is induced in our tiny tots to contribute their share for the development of humanity. Our school 12th KG graduation was held on 07.04.2015. Rev. Dr. Jonathan Santhoshraj, Prayer Link Ministries, Chennai was the Chief Guest of the function – KG Graduation the gracious charm and beauty of the toddlers.

Club activities:

Self reliant person depends on his resources and prudence such self-reliant person are emerging through the club activities which carves equipoise confidence which renews and regenerates the role of divergent thinking this fundamental human urge is brought out through club activities such as English, Tamil, Science ,Maths and Social club

Science Expo 2015

Creativity has become much of a buzz word, continually resetting new levels of aspiration . Our school project Expo 2015 visualizes and invigorates and refines the thinking of an individual. We every year capture the nuances of the future movement to the students We are right there at the cusp of the forward movement to catch and emission the bright future for the students

Educational Tour

Apart from academics, Bethelites were taken to educational tour every year in order to refresh their mind. This year charming girls of Bethel were taken to Karnataka State and the smart boys were taken to ooty, the queen of hills to enjoy the scenic beauty.

Bethel is striving hard to provide holistic education and mould the student's capability positively to face the challenges of technological and industrial development taking place globally. We produce a great reservoir and the kind of leadership endowed with a futuristic vision to reach the pinnacle of glory.

Bethel, the noblest institution today stands as a monument of selfless love of great philanthropist and generation to come will remember with gratitude the munificence of the illustrious achievement in the academic field, keeping fresh and fragrant in the sands of time. Attribution of services in a organized manner and the process directed in a constructive way, give rise to inherent

Quality, make humans superior to any other being, our attribution of service to the society through our institution is the blessing of Almighty which set the parameters of larger design , within which one's honest diligence and grit fructifies.

These spectacular achievements are not reaped over night, by the province of God, deep seated single mindedness, empowered with devotion always brings us ennobled and outstanding results. We extend our gratefulness to our members of the School Board and the Educational and Management consultants for their indispensable services and support.

In this momentous occasion, we remember our relentless and industrious efforts of our adherence, erudite and strenuous teachers to achieve the remarkable performance in the academic accomplishments. Which enhance my exuberant happiness to thank our unremitting hard work of the teachers, persistent effort of our non-teaching staff dexterous and committed maintenance staff at this glorious occasion.

We extend our hearty gratitude to all the benevolent well wishers, parents, my dear old students who have conferred their services for the past 32 years.

The Journey of Bethel keep on progressing with the blessing of Almighty, Bethel , Shines brightly year after year bringing awards , prizes and applauds.

Dr. Mrs. Florence Durairaj M.A., M.Ed., D.Litt.,
